Congratulations to the children who have received a PRIDE certificate in the last couple of weeks. I love watching the children bring their parents into the office to proudly show them of their achievement. Our children who have gained a certificate are: Ellie Rowbotham, Eason Xu
Amelia Newman, Mason Willoughby, Chloe Willis, Jonathon Marais.

Field- The first order of business has to be the opening of the field! We have had lots of very excited children this week, since the field was reopened. Wandering around with the kids at lunchtime has been fantastic, watching them enjoying the field, playing touch rugby, tag or just rolling down the bank. At the moment this is just for lunch and playtimes. Over the holidays, there is more work to be done to install another level of drainage, which will help us get more usage of the field during the school year than we have ever been able to have. With the new turfed areas, the seating area outside rooms 17 and 18 and the hall courtyard, we have wonderful facilities for our school and that will benefit our school for many years. We see the use of outdoor spaces as vital to the holistic education of our children. The opportunity to run around, play with friends, be involved in fitness and sport is vital, and we also have spaces for children to take their learning outside of the classroom, whether using our nature garden for science or writing, using the sports facilities to apply maths skills with measurement or find a space for reading or performing a play. I look forward to seeing our children enjoying and using our facilities.

Hats for term 4-Just a reminder about uniform for next term, please remember that the **school hats are required for outside play from next term**. The children aren't permitted to wear their own hats. I love seeing our children in our very smart uniform! Please ensure the hats have your child's name and class clearly written inside them. If your child requires a new one, please come to the office to purchase one, not the uniform shop.

Photo Permissions- We are getting to the time of year when teachers are working very hard on their school magazine pages. We are still to receive several of the photo permission check sheets that have been sent home. Without these we are unable to include your child in the photos for the magazine etc. A copy of the letter will be sent home tomorrow. Please return it as soon as you can so we have a clear picture of your wishes for your child's images.

Art Exhibition- We had a fabulous time at our art exhibition. It was so good to see so many families come through and share in the amazing artwork that our children have produced. I would like to acknowledge the amazing teachers who have used their own skills and talents to help the children produce such great work.

Road Safety- I have been out supervising the crossing, which I enjoy. However, every day I am receiving worrying reports from other parents who run our crossing regarding parking behaviours. We have the police officer in school at the moment and some tickets have been issued for parking on yellow lines or in the bus bays, u turns and stopping in the road obstructing traffic, all of which are very dangerous for our children, as it inhibits the field of vision for the children on the crossing duty. Please consider walking or parking a bit further away if there are no legal parks available. I really appreciate your help in trying to keep our children safe. I would like to thank those parents and teachers who run our crossings, it is so important in helping our kids stay safe. I really appreciate the time you give for our children's safety.

Calendars- Finally the online orders for calendars have closed for now. These will be reopened in term four, in time for them to be purchased for Christmas presents!

Enrolments- If you are enrolling a child at our school for 2020, please contact the office for an enrolment pack as we are beginning to organise our 2020 classes and staffing.

This term has flown by! This is the last newsletter before the holidays, if your child is on site during the holidays, please be aware that the field will be undergoing work as I mentioned. I look forward to welcoming everyone back after a safe and enjoyable break.
