We are continuing to encourage our wonderful children to use their PRIDE values in all aspects of school life. Our PRIDE values of **Perseverance, Respect, Initiative, Diligence** and **Excellence** are very important to us at school. In the last two weeks, the children who have gained these awards are: Taylor Rawbone, Mackenzie Keeler and Isabel Paku.

Thank you for continuing to adapt to our drop off and pick up routines. Just a reminder that the gates in the morning open at 8.30am. If your child is there a few minutes earlier, I'd suggest they go to the bottom gate, where there is a safer waiting area for them. Before school care is available if they need to arrive earlier in the morning. Please contact our office for the details. Thank you for observing the 2.45pm gate opening for pick up. This has had a big impact on the concentration of children in the classrooms, ensuring we can make the most of learning time. The car park drop off and pick up areas have continued to work well, with the children now watching for their car, which speeds up the process. I love being there in the morning and afternoon! It is nice to see our children bouncing into school and sharing stories about their sports games, their weekends or just how their day went as they leave to go home!

It has been lovely to see school sports start up again. It is great to see how supportive our children are of each other! Our year 6 cross country was an example of this, hearing the cheering on the bottom court as the runners came home from my marshall position by the crossing on Isobel Rd was fabulous! I also saw one of our netball teams play on Wednesday evening at the netball centre. Despite a tough game I was so proud to see the commitment, sportsmanship and just the enjoyment our kids get from participating.

We are already beginning our planning for 2021! Knowing numbers of children coming in for the rest of the year and in the first months of 2021 makes our organisation of teachers and classes much easier. If you have a child starting later this year or early next year, please come and enrol them. If you know of any families with children who will be joining our school whanau, please encourage them to pop in as well.

Thank you for signing up for the parent conferences next week. You will receive a short summary of your child's academic progress on Monday. Then this will be discussed and elaborated on at the parent conference. The portal for signing up will close at 3pm tomorrow. If you haven't yet signed up the website is www.schoolinterviews.co.nz. Please go to the website and enter our school code e629y.
