

## **Senior School Newsletter**

### **Term 1 2021**

Dear Parents and Caregivers,

Welcome back! If you are new to our school, we extend a special welcome to you and your family. We would also like to welcome Charlotte Borowski to our team who will be teaching in Room 17.

Newsletters are available on the school website at : <https://www.greenhithe.school.nz/newsletter/syndicate/>

The Senior School teaching team this year is as follows:

Room 17 Anneliese Restall-Shaw and Charlotte Borowski	Year 5
Room 19 Kristie Jacobs	Year 5
Room 20 Jenny Bate	Year 5 (Year 5 Team Leader)
Room 21 Natasha Alexander	Year 6
Room 22 Dan Oades	Year 6
Room 23 Zara Fletcher	Year 6 (Year 6 Team Leader)
Room 24 Emma Pierce	Year 6

### **Inquiry**

This term our inquiry links with our planned camp and EOTC ( Education Outside the Classroom) activities. Students will be encouraged to take more responsibility for their learning, giving them skills to become lifelong learners. For example, they will learn to identify next steps in their own learning and share their understanding. During the term we will also be investigating and acknowledging the Treaty of Waitangi and looking at places of significance in our local Greenhithe area.

### **Reading**

Students will be building on their reading comprehension skills; for example inferencing, finding information and critical thinking. The focus this term will be integrating reading with our inquiry. The students will attend differentiated sessions based on their instructional reading levels. They will be expected to analyse what they read and make links between their prior knowledge and the new information learnt.

### **Writing**

Children are expected to be using their writing skills to produce a variety of texts. We have clear expectations and goals that the students will work towards. The students will also have timetabled independent writing sessions. This is an opportunity for students to make their own choices about writing.

### **Spelling**

Students will be learning a range of strategies they can use when learning spelling words. They will also be participating in learning activities based around the knowledge of sounds and developing their vocabulary and grammar.

## **Mathematics**

In the senior school, the focus is on using basic facts knowledge to solve problems across a range of mathematical areas. Our strand learning for this term will be based around 'position and orientation' and statistics.

## **Bring Your Own Device (BYOD)**

Year 5 and 6 students are being invited to bring in their own computer for classroom learning. We would like the students' to use their own device to deepen learning and to make learning more personalised and student-centred. And as a result of this, students who do not have their own devices will have greater access to school owned chromebooks. This opportunity is an invitation, not an expectation, and we are not insisting that students purchase or bring a device. We are giving you the choice. Students will continue to complete regular book work alongside digital platforms.

Laptops, netbooks and Chromebooks will be allowed to be brought to school. Tablets, phones and iPads will not, because they are not able to run the Chrome browser extensions that we use to monitor student behaviour online. Devices will be kept in a locked cupboard during break times. If mobile phones are brought to school they need to be sent to the office, before school and will be kept in a safe place. They can be collected at 3pm.

For more information, and deals on Chromebooks, please visit: [www.greenhithe.school.nz/byod.html](http://www.greenhithe.school.nz/byod.html)

## **Water Safety (Swimming)**

This will begin this week. All children will need to bring their named togs and towels in a separate bag on their swimming days. A note is required every time your child is unable to participate in swimming.

These are our syndicate's swimming days:

## **General Housekeeping**

### **Activity Fee**

There is a \$35 activity fee per term, per child, you can pay this directly to the office or it can also be paid through internet banking. This activity fee covers the cost of trips and other extracurricular activities. Please ensure that payments are kept up to date. School Bank Account Number: 12 3109 0011698 00 (Please put your child's name as a reference if paying directly into the school bank account).

### **Donations**

Each year the Ministry of Education use decile ratings to help determine how much government funding a school will receive. Greenhithe School is a decile 10 school, which means that we receive the lowest funding possible from the government for our students' education. Therefore, it would be greatly appreciated if you would consider a donation of \$55.00 per term or \$220.00 per year. There are discounts for families of 3 children or more. Please see the office for more information, including a tax rebate through the IRD if you pay before the 31st March. Your donations help to provide many programmes and staff throughout the school, learning assistants, sports coordinator, reading recovery teacher and programme, art resources, GATE and pool maintenance are but a few. They are all beneficial to our students but these resources will only continue at Greenhithe School if all our families pay their donation. School Bank Account Number: 12 3109 0011698 00 (Please put your child's name as a reference if paying direct into the school bank account).

### **Before School**

Students are allowed into their classroom when the bell rings at 8:30am. Any students arriving before this time will need to wait at the school gates until they are opened. Teachers are busy and are not always in their classrooms to supervise your child before school. At 8.45am another bell will ring and this indicates for students to go to their classroom to prepare themselves for the day. It is a settling in time and an opportunity for students to talk to their classroom teacher.

### **After School**

As our school day doesn't end until 3:00pm, we ask that adults and siblings collecting students from classrooms wait a short distance away from the classrooms, rather than directly outside. On hot afternoons we usually have our doors and windows open, and find that the students are easily distracted by children or adults talking outside the classrooms. Please remember to leave dogs tied up at the school gates.

### **Water bottles and Sunhats**

Please ensure that your child brings a drink bottle of water to school daily. In Term 1 every child must have a clearly named school sun hat at school. If students do not have a hat they will be asked to sit in the shade outside.

### **Scooters**

There is to be no scootering in the school. Students are to walk their scooters to the classroom when they arrive, and they need to place them behind the seat outside their room.

### **Tissues**

We would appreciate it if every child donated a box of tissues for classroom use.

### **Parent Meet the Teacher Evening**

We will be holding a parent evening for you to meet your child's teacher on Wednesday 24th February. There will be 2 sessions. One at 4pm-5pm and 5.30pm-6.30pm. Please be aware that the presentation of information will take up approximately 20-30 minutes and then you will have time to talk to your child's teacher and have a look around the classroom. The Year 5 meeting will be held in Room 20, the Year 6 meeting will be held in Room 23.
