

## Whānau Day Friday 28th May

On Friday 28th May we are hosting an open day for parents, grandparents and other family members. It is an opportunity to come visit your child/children in their classroom and take part in their learning. The students will be participating in cultural activities in acknowledgement of International Language Week. We will start the afternoon with a meet and greet in the school hall where you will have the opportunity to chat to senior leadership about our Greenhithe Local Curriculum and have a say about upcoming events. We will have a Mandarin speaking staff member to help with any translations.

1:30pm - 2pm meet and greet in the hall

2pm - 2:45 visiting in classrooms

We look forward to seeing you at our Whānau event this term.
