

Year 3 Syndicate Newsletter **Term 2 2021**

Dear Parents and Caregivers,

Welcome back to Term 2. We look forward to another term of learning together. We hope you have enjoyed the holidays and some time with the family. We look forward to an exciting term ahead.

Coming into Winter, if possible could you please send a box of tissues for class use.

Inquiry

Our inquiry focus for this term is "Sharing the planet". We will be looking at planets, stars and the solar system. We have booked the star lab to come in and do a session with the children. We will have a rotation for our inquiry this term.

Matariki

This will be done over a week with the children. There will be a selection of activities for the children to enjoy. This will not be a day where the parents will come in. Teachers will put photos and videos on seesaw for you to be able to see what children are doing.

Whanau Day

This will be an open afternoon celebrating different cultures. Parents are welcome to attend and do activities in class with their children. More information on this will follow closer to the time.

Uniform

Please ensure that all pieces of clothing are clearly named. Make sure your child's name is in each uniform item, including sweatshirts and raincoats. Children do not need to wear their hats this term.

Fitness and PE

Every day students take part in 10-15 minutes of fitness followed by a water and fruit break. This term we will be practising for cross-country and your child will need suitable running shoes to train in. The year 3's will be joining the year 4-6's at Wainoni park. More information on this will follow.
