NEWSLETTER/KAWERONGO

We continue to watch out for children showing PRIDE values around the school. In class the children regularly talk about using our school values and we have murals and posts around our school, as a reminder to all of our learners of what we expect to see in our Greenhithe children. The recipients this week are: Rory Aranky, Indi Mctague, Annabel Penney, Creo Cheung, Jintian Lei and Jett Cortese.

Parent Conferences

The link to book your conference is www.schoolinterviews.co.nz and the code is ak7ky. This will close on Monday 4th July. If you need to alter a booking after this time, please contact the office directly.

School Crossings

Our Greenhithe Rd crossing will reopen AFTER THE HOLIDAYS in the MORNING ONLY. We have had our children trained by the police and I would like to thank those parents and staff who are going to supervise the crossings.

Morning Routines

Please remember the children are only allowed onsite from 8.30am, whether with a parent or not. Our settling bell goes at 8.45am, when we ask any parents onsite to leave the classrooms at this time, this time is for the children to be ready to start learning at 8.55am. We have found that this ten minute period in the class with their peers is a great time for them to interact with each other and their teachers. This time also ensures they are prepared and organised and ready for the start of the day. Thank you for your cooperation.

Kindo

I hope you are finding Kindo easy to use and helpful. The link to Kindo is on our website on the homepage at the bottom, under **Community Connect**. Existing users either through having an ezlunch account set up, or through another Kindo school, such as AJHS can just log in. You may need to click on the fees and donations icon and choose to link your child to our school records to view your personalised account.

The Kindo help desk is open 8am to 4pm Monday to Friday.

Congratulations

I'd like to congratulate our cross country team! What an awesome achievement to win the cross country overall champions cup for both our local cluster and then the Northern Bays. Well done to all who took part. I also want to congratulate our Year 6/1 netball team who won the North Harbour Netball Tournament. Sharon has listed all the details in her Sports Corner! I love to hear the stories of perseverance, respect and sportsmanship that our children show when they represent our school at sporting events.

NETBALL

Last Wednesday, our three Year 6 netball teams participated in the annual North Harbour Netball Tournament. We had some fantastic results with our 6/1 team winning the A Grade final against Bayfield School!!! There were close to 80 teams competing, so this was an outstanding achievement.

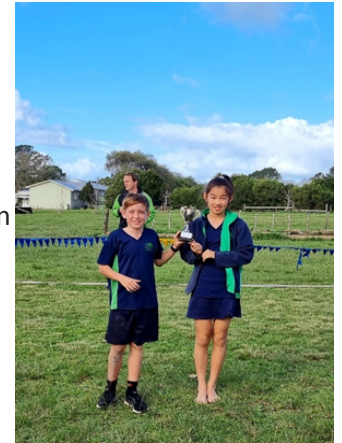

Thanks to all of the parents, coaches and umpires who gave up their day to support our players.

CROSS COUNTRY

Two weeks ago we took a team of 36 runners to compete at Coatesville School in the Inter School Cross Country. Points were allocated to any runner who finished in the top 6 of their races – and for the ninth year in a row, Greenhithe School won the Best Overall School. Thanks again to those parents who helped transport and marshal on the day. Here is a picture of our 10 year old winners Max and Amy.

Here are the results from the day.

SPLASH POLO AND MINIBALL

Registrations for next term's competitions for splash polo and miniball are open.

Splash polo is for competent Year 3-6 swimmers who can swim without needing to touch the bottom or holding on to the side of the pool. Games are played on a Sunday. All relevant information will be on Enrolmy. Miniball is for Years 3-6 children and is played on a Tuesday night. We currently have four teams - these children will be given first priority and if it is allowed, we will start up a new team(s). Again, all relevant information will be on Enrolmy.

Click here to register.
