PTA 'A Night at the Movies' Fundraising

The PTA will be selling some goodies and cool memorabilia for the 'A Night at the Movies' show.

Snacks

- Chocolate bars 50g - \$2 each
- Lolly bags - \$2 each
- Krispy Kreme original donuts - \$2.50 each

Memorabilia

- 'A Night at the Movies' badge 32mm - \$3 each
- Class photo digital copy - \$5 each
- 'A Night at the Movies' full colour program - \$8 each
- Laminated class photo with themed design - \$13 each hardcopy

The badge will be a great addition to your child's school bag or jumper and showcase a student's 'A Night at the Movies' design.

The laminated class photo shows your child's class in their full costumes and their names, and is designed with the 'A Night at the Movies' background, so will be a great keepsake. This is a similar layout to the school class photos. You can also purchase this as a digital copy which will be emailed to you to print yourself (this will only be the class photo, not the themed design).

The 'A Night at the Movies' program includes 20 pages of full colour photos, featuring a dedicated page for every classroom who is taking part in the show, and includes a description of each class performance and photos.

Book these in advance on Kindo (available from Monday 14th August), and you can collect them before the show in Room 14. There will be limited sales of both the snacks and memorabilia on the night, so save time and book on Kindo! See our Facebook page at www.facebook.com/greenhitheschoolpta for more information and examples of the memorabilia which will be up soon.

If you are interested in helping out at either a matinee or evening show, please email greenhitheschoolpta@gmail.com. We require six parents at each show to help, and you'll be needed for around two hours total including the show, your ticket is free if you are volunteering! Thanks for your support.

Thank you to members of the PTA who will also be supporting our Dance Show with food and photo sales. More information will be available from the PTA closer to the show.
