### **CCTV Cameras**

The CCTV cameras installed at Greenhithe School are for the following purposes

- discourage would-be vandals
- make staff and students safer
- record evidence when your school has an intruder or evidence of vandalism
- Reporting of criminal or anti-social behaviours to the police

We only use or disclose CCTV footage for the purpose outlined above and not for any other reason.

We have erected signs both near some of the CCTV cameras and at the perimeter of the CCTV system's range (before individuals enter the range of the cameras) to notify people that cameras are operating. The signs make clear the Board of Trustees operate the CCTV system.
