

# More Than a School—A Community for Your Family

Located just 20 minutes from Auckland CBD, Greenhithe School is the heart of a prestigious, caring community. We believe that happy children are the best learners. Our school is renowned for balancing academic excellence with a rich "kiwi" lifestyle—from **STEAM** innovations to creative arts, and competitive sports, Greenhithe School prepares your child for a lifetime of success in a warm, welcoming environment. Supported by a highly motivated community and a dedicated ESOL department, we ensure international students excel both academically and socially. With a vibrant PTA hosting festivals, discos, pizza lunches and cultural events, we provide an immersive experience that goes beyond the classroom.
